UNCF hosts '41st Annual Milwaukee Walk/Run for Education'

On August 2, 2025, the United Negro College Fund (UNCF) continued to carry the torch for education with the "41st Annual UNCF Milwaukee Walk/Run for Education" at Veteran's Park on Milwaukee's lakefront, 1010 N. Lincoln Memorial Dr. The goal of the walk/run is to raise scholarship funds for UNCF. In previous years funding from the UNCF Milwaukee Walk/Run has provided 53 students with 64 scholarships averaging \$3,405 each.

Former Wisconsin lieutenant governor and legislator Mandela Barnes was the 2025 Grand Champion for the walk. Barnes is the founder of The Long Run political action committee. He is also a graduate of Alabama A&M University, a historically black college University (HBCU) and a member of Kappa Alpha Psi Fraternity, one of the 'Divine Nine' black Greek

letter organizations.

"Sponsorships from local companies, team and individual registrations, and donations from the public in support of the UNCF Walk for Education all help raise scholarship dollars for local students," said UNCF Regional Development Director Lisa Rollins, for "It provides critical dollars that help local students achieve their college dreams and strengthen communities."

Milwaukee church faces monumental restoration after flood damage

Greater Mount Sinai Church of God in Christ suffered extensive flood damage, with losses estimated at more than \$1-million; prompting congregation to temporarily relocate.

Greater Mount Sinai Church of God in Christ, a longstanding foundation in Milwaukee's McGovern Park neighborhood, has been severely damaged by floodwaters, leaving the church a "total loss," according to Associate Pastor Jerome John-

The church, located at N. 60th St. and W. Custer Avenue, was inundated with 4 to 6 feet of water early Sunday, August 10, 2025, due to its proximity to Lincoln Creek.

"For the water and the flood to come in and take something away so quickly,

said.

The floodwaters demolit feels like we're just in an ished a large exterior door, empty shell at this point," he swept through the church,

and left everything soaked in chest-deep, filthy water within minutes. The altar, music equipment, carpeting, sound system, offices, and elevator were all destroyed.

"It's a total loss, honestly. Hate to say that, but reality is reality," Johnson said.

Despite the overwhelming task of cleaning up and rebuilding, Johnson remains hopeful.

"The bush is still burning. We still have hope. We walk by faith and not by sight.

And we're trusting God for us to even come back stronger, for us to even come back, come back better," he said.

The restoration is estimated to cost more than \$1 million, but the greater Milwaukee community has been reaching out to support the church.

Johnson and the church community are determined to return to their original location at 60th Street and Custer Avenue as soon as possible.

Milwaukee County flood recovery: Where to get help in hard-hit communities

American Red Cross of Wisconsin has two shelters set up in Milwaukee

Source: WISN TV 12

Several communities in Milwaukee County suffered extensive damage from the flooding August 9- 10, 2025.

To report property damage, such as flooded basements, collapsed walls, or lightning-related incidents within Milwaukee County, please call 211. An Emergency Operations Center has also been established to coordinate response efforts throughout the remainder of this weather emergency.

City of Milwaukee

Through Sunday, Aug. 17, drop-off centers will be free of charge. In addition, they are open Monday, a day when they are normally closed. Regular hours remain in effect: 7 a.m. to 3 p.m. Drop-off Centers are located at 3879 W. Lincoln Ave., on the south side and 6660 N. Industrial Road, on the

The Department of Public Works (DPW) will be conducting free special bulky item pickups. Residents should place bulky materials at their regular garbage collection point on their normal collection day this week. DPW crews will take note of those locations and schedule follow-up pickups. If items are not placed out on the regular pickup day, residents must request a special pick up. Residents can contact the city's call center at 414-286-CITY (2489) to request service, but please be aware that wait times may be longer than usual due to increased call volume. To avoid delays, residents are encouraged to submit pickup requests online through milwaukee.gov/ Click4Action or by using the MKE Mobile app.

To assist with recovery efforts, overnight parking enforcement will be suspended

on Monday, Tuesday, and Wednesday nights. Vehicles must still be parked legally. Night parking enforcement will resume on Thursday night into Friday morning. DPW crews have also been relocating stranded vehicles to the roadside to improve street access and safety. If your vehicle was moved or left stranded, please ensure it is removed by Thursday, Au-

In the coming days, DPW will begin street sweeping operations to remove trash and debris left behind by the flooding. Residents are asked to keep streets clear where possible to help crews complete this work efficiently.

If anyone sees stalled or stranded vehicles in floodwaters, please report them. City crews are actively relocating these vehicles to the side of the road to improve access and safety.

Suburban relief efforts

Flood recovery activities are on the way also in suburbs throughout Milwaukee County.

Safety reminders

- Hart Park in Wauwatosa is closed to all public traffic, including pedestrians. This includes the Rotary Stage, playground, and trails. There is a concern for additional injuries, so avoid the area.
- Do not play in or wade through standing water. Floodwater may contain sewage.
- Do not drive through standing water. Even a few inches can stall your car or cause you to lose control.
- Do not drive around barricades.

Garbage and Recycling Collection: Regular collection for garbage and recycling is on schedule for this

week. Please keep regular garbage and recycling separated from flood-damaged materials if possible. Special trucks and loaders will follow the garbage trucks to pick up flood-damaged materials.

Special collections: If flood-damaged materials are not picked up on your collection day, please fill out a *Let Us Help* form: https:// westalliswi.viewpointcloud. com/categories/1087/re-cord-types/6496. Fees will be waived for flood damage-related debris for a minimum of two weeks. The following items are not accepted: large gas appliances (water heaters), propane tanks, explosive or flammable products, wet or oil-based paint, fluorescent light bulbs; and materials from contractors, contractor vehicles, commercial properties and businesses.

Pickup times are contingent upon staffing and available equipment. Crews aim to pick up collections within 48-72 hours, but your patience is requested during this time. The West Allis Public Library offers Wi-Fi and computers if you are unable to use your own.

Dumpsters: The city will provide dumpsters for flood-damaged materials in the hardest-hit areas of our community. We are actively working to secure additional

dumpsters, as all city dumpsters will be distributed. Stay tuned for a list of locations where dumpsters will be placed.

If you choose to rent your

own dumpster, a permit and flashing barricades are required. Apply for a permit https://westalliswi. viewpointcloud.com/catego-ries/1087/record-types/6455

Damage reporting: Residents are encouraged by the Milwaukee County Office of Emergency Management to either call 211 or fill out the damage report form (https://211 wisconsin.communityos.org/damage-report). This helps the county understand the extent of the damage and potentially secure more federal funding for recovery efforts.

Milwaukee organization marks milestone anniversary with legacy of empowerment, sisterhood, and sustainable impact

The Cream City (WI) Chapter of The Links, Incorporated proudly celebrates 35 years of distinguished service to the Milwaukee community, marking more than three decades of civic involvement, cultural awareness, and social impact since its charter on March 24, 1990.

Chartered under founding President Loree Chicoye, the Cream City Chapter is one of 299 chapters of The Links, Incorporated, an international, not-for-profit corporation located in 41 states, the District of Columbia, the Commonwealth of the Bahamas, and the United Kingdom. The chapter's name, "Cream City," honors the cream-colored bricks used to build Milwaukee from the ground up—symbolizing the strength and beauty that have defined their service.

A legacy of service and sisterhood comprised of dynamic women connected in friendship and purpose, the Cream City Chapter operates under the vision of "Standing on Sisterhood"—emphasizing that greater success and opportunity are achieved when women support one another. Their ser-

vice is delivered through five programmatic facets aligned with the national mission:

- National Trends and Services
- International Trends and Services
- Health and Human Services
- The Arts
- Services to Youth

Transformative programming and community impact

The chapter's initiatives address critical needs while fostering partnerships with local organizations, including:

- Educational Excellence Scholarships for deserving youth and promotion of STEM education.
- Arts and Culture Visual arts programs and exhibitions celebrating African American heritage.

ness Expo.

 Educational Support – Mentorship and resources for Milwaukee-area students.

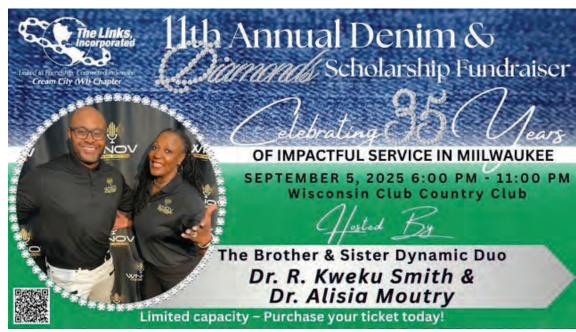

Part of a national movement

Founded in 1946 by Margaret Rosell Hawkins and Sarah Strickland Scott, The Links, Incorporated has grown to include more than 17,000 professional women of color, contributing more than one million documented community service hours annually. Recognized by the United Nations Association of New York, the Leon H.

Sullivan Foundation, and nominated for a Luxembourg Peace Prize, The Links is celebrated for its cultural, educational, and humanitarian impact.

Looking forward

As the Cream City Chapter steps into its next era of service, it remains committed to its values of friendship, integrity, honesty, service, commitment, and community impact. In 2024, the chapter welcomed four new members, continuing its tradition of growth and renewal.
