Milwaukee's 'Mixed Generation' celebrates 31 years of music and service

On this historic evening the 'Mixed G' along with its founder, Charles L. Walton received several awards, which included citations, letters of recognition, and proclamations from almost every level of government – U.S. Congresswoman Gwen Moore, Governor Tony Evers, Mayor Cavalier Johnson, Milwaukee Common Council, State Senator Dora Drake, Milwaukee County Executive David Crowley and the Milwaukee County Board of Supervisors through a motion by Supervisor Priscilla Coggs-Jones. Present were State Senator Dora Drake and, representing the County Supervisors was Legislative Assistant Chandra Staples. On Saturday, July 19, 2025, the Mixed Generation ('Mixed G'), held 'A Mixed Generation Dinner Celebration' for their 31 years of music and services to the community at the Nicolet High School Cafetorium in Glendale, WI. The event was sponsored by the Milwaukee Brewers Community Foundation with its president Cecelia Gore. The Mixed Generation is a unique group of young as well as seasoned individuals that continue to do positive things to counter the negatives that go on in our communities, our nation, and in the world at large by providing inspirational music and through uplifting performing arts activities. The evening was filled with fun and laughter, starting with the host, 'Mixed G' member entertainer, and comedian Bradford D. Handley (a.k.a. D-ROCK). 'Mixed G' members present included: Charles L. Walton, Kenneth Perry, Sr., Patricia Donald, Makisha Biles, Arnaldo Rivas, Shalan Pickens, Chris Jones, Tamarica Liddell-Kulemek, who was visiting from Ohio, and Toni Martin who now resides in New York.

Milwaukee Bucks Camp held at North Division High School June 30th through July 4th

For the first time since the 1980's, the Milwaukee Bucks and North Division High School collaborated to host a summer basketball camp. The Milwaukee Bucks along with MPS Recreation and the George Gerharz North Division High School Alumni and Friends, Inc., worked together to make this camp possible. The Milwaukee Bucks and North Division High School collaborated for such an event. Young people, ages 7-14, both male and female participated in the camp.

The fee for individual campers was \$215.00. While some parents were able to afford the fee, the camp received contributions from North Division Alumni and Friends and local foundations. Representatives from the group stated that they are hoping to get more sponsors next year.

Special recognition to the following volunteers for their advice and support: Alumni Dr. Howard Fuller, Elton Gillie, Helen Harris, Beverly Lewis Moses, and Margaret Todd; friends – William Clay, Eddie Goodwin of MPS Recreation, Aaron Williams of Milwaukee Boys and Girls Clubs, Sam Williams, and Milwaukee Times Publisher Rev. Harold Turner.

Milwaukee settles police misconduct cases involving former state senator's son, and Chicago family

City of Milwaukee has agreed to pay \$600,000 to settle two police misconduct cases, including one involving the son of a former state senator and another involving a Chicago family.

The city of Milwaukee is set to pay \$600,000 to settle two longstanding police misconduct cases involving civil rights violations against detainees.

One case involves Isaiah Taylor, the son of former state Sen. Lena Taylor and current Milwaukee Circuit Court Judge, Isaiah, who was 16 year old when he was detained by police. Indecent occurred outside their home on Capitol Drive during an investigation into robberies he was not involved in. The interaction was recorded on a body camera.

"It's an unwanted, unnecessary rite of passage

that many boys his age go through," Lena Taylor said 10 years ago regarding her son's experience.

The officers questioned Taylor about his actions,

with one officer stating, "The reason why we stopped you is because you were running," and another adding, "You looked at us and took off faster, man." Taylor respond-

ed, "I wasn't running faster."

A city committee voted to pay Taylor \$350,000 to settle his lawsuit. "For the reasons discussed in closed session, recommend adoption of the substitute resolution," the committee stated.

Civil rights attorney Jonathan Groth, who is not involved in the case, said, "Everybody's human. You may mess up. But, if you mess up to the extent it sounds like these police officers may have messed up, well, then the city is obligated to pay the cost."

Groth added, "Enough of these lawsuits will hope-

fully change their minds and change their processes, change their procedures so it doesn't happen next time."

The second settlement involves a Chicago family who will be paid \$250,000 after being handcuffed and held in squad cars at the scene of a homicide in 2021, despite being witnesses. One of the three children involved was just 12 years old.

These settlements are on the agenda for approval from the full Milwaukee Common Council on Thursday, July 31, 2025.

MCTS announces schedule changes, reduced service

Milwaukee County Transit System implements major service changes affecting 40 bus routes, adding 95 stops and 4 new lines while reducing frequency on select routes starting Aug. 24

Milwaukee County Transit System (MCTS) is implementing its largest service update since 2021, affecting 40 of 46 bus routes across Milwaukee County.

The changes, which include 95 new bus stops and four new routes, will take effect August 24, 2025, at 4:30 a.m. Some routes will see reduced frequency due to budget constraints.

According to MCTS, the service modifications are part of the 'MOVE 2025' plan and include adjustments to improve route reliability, the return of UBUS school service, and schedule changes due to road construction.

Key changes include more frequent service on Routes 57, 63, and BlueLine, plus the addition of four new routes.

- Route 59 - Drexel Ave.
- Route 73 - Mill Road
- Route 74 - S. 43rd Street - Miller Park Way
- Route 82 - S. 13th - Howell Ave.

The University of Wisconsin-Milwaukee (UWM) campus will see significant route adjustments, with all local routes starting or ending along Kenwood Boulevard between Maryland and Downer avenues.

Route 49U will be eliminated due to low ridership,

Web Photo

though service from Brown Deer Park and Ride Lot to UWM will continue via Route 68.

Several routes face service reductions during non-peak hours due to budget shortfalls. For example, Route 12 weekday riders will experience longer wait times

between 9 a.m. and 3 p.m., increasing from 15 to 20 minutes between buses.

Construction projects will affect multiple routes through fall 2025, including the GreenLine, Route 15, and Route 18, which will detour around the Water Street Bridge construction near the Third Ward.

Riders can preview route changes on the *Umo* app starting August 24 or view route previews at RideMCTS.com/Schedules beginning the week of August 11.

Progress update on MPS's lead remediation

Milwaukee Public Schools (MPS) Superintendent Dr. Brenda Cassellius said progress is being made on MPS's plan to remediate lead hazards in dozens of the district's older schools.

"All of our students, families and employees deserve a safe and healthy school environment," Dr. Cassellius said. "Delivering on this promise is one of our most important responsibilities. Our staff and contractors continue to work multiple shifts every day to fix lead paint issues, and we are accelerating our efforts to maintain a key aim identified in our lead action plan. Our goal continues to be that — by the start of the school year — all schools built before 1950 that serve elementary children would be cleared by the Milwaukee Health Department."

More than 150 painters are currently working at MPS sites. Specific items of progress and next steps include: Nine (9) schools — including all schools that were temporarily relocated during the 2024-25 school year — have been officially cleared of lead hazards by the Milwaukee Health Department and are ready to welcome students, families and employees. These school communities have all been notified.

Another 14 schools in the next phase of the district's efforts are nearing completion of the stabilization process and will soon be ready to be cleared by the health department. MPS will let school communities know as soon as they are cleared.

The next 18 schools are set to be stabilized in the coming days and weeks. The district is accelerating the work by focusing more on lead stabi-

lization and related touch-up painting and reducing the amount of cosmetic painting work that could happen at a later time.

The final 9 schools include some buildings with additions built after 1978 and others that have excess space with the ability to relocate classes internally. Lead stabilization work in these schools will focus on common areas and spaces important to daily instruction and operation.

MPS remains on track for its goal of clearing all buildings built prior to 1978, serving elementary students, by the end of this calendar year.

"I want to extend my appreciation once again to our dedicated staff and contractors who have been working tirelessly across multiple shifts to make spaces safe and to all of our families and employees for their patience during this challenging time," said Dr. Cassellius. "I am grateful for the opportunity to restore your trust in our schools and this district that is so vital to the community we all share."

The first day of classes at MPS is Tuesday, September 2, 2025.
