UWM welcomes new Chancellor, Dr. Thomas Gibson

On Thursday, November 13, 2025, a gathering of community leaders came together for a private welcome reception for the University of Wisconsin - Milwaukee's (UWM) new Chancellor, Dr. Thomas "Tom" Gibson and his family at UWM's Golda Meir Library. Hosted by UWM Regents Dr. Joan Prince and Angela Adams, the gathering was a personal welcome to the greater Milwaukee area to the new leader of UWM and his family. Dr. Gibson who officially took charge of the institution in July, was presented proclamations from the Mayor and County Executives while his wife and daughter received welcome gifts.

It Takes A Village Foundation Re-Entry Program honors community leaders at '3rd Annual Award Gala'

On Friday, November 7, 2025, approximately 200 guests gathered at the Hilton Garden Inn Conference Center on Park Place to celebrate the *Third Annual It Takes A Village Foundation Re-Entry Program Community Leaders Award Gala*. The evening was a tribute to the dedicated individuals making a lasting impact across Milwaukee's communities.

The event began with a grand processional as 12 distinguished honorees were recognized for their outstanding contributions to community growth, empowerment, and re-entry support.

Steven R. Johnson, Warden of the Milwaukee Secure Detention Facility

(MSDF), delivered an impassioned keynote reminding guests that "it truly takes a village" to impact lives and foster change. His message of integrity, compassion, and community engagement deeply resonated with attendees. The evening's Mistress of Ceremonies, Sharon Jordan, known as the "Gospel Angel" from WNOV Radio, kept the celebration lively and heartfelt. President and CEO of It Takes A Village Foundation Dr. Shawna Whitehead, delivered a heartfelt closing message reaffirming the organization's unwavering commitment to serving justice-impacted individuals and their families.

Milwaukee Public Museum will remain open through all of 2026

As the Milwaukee Public Museum prepares to move to a new building in 2027, museum staff said visitors will still be able to stop by the current location on Wells Street through next year.

It's a question the Milwaukee Public Museum said it's been getting regularly: "How long do I have left to visit?" Good news for visitors, they still have over a year left. The last day the current museum will be open to the public is Jan. 3, 2027.

Web Photo

"We are thrilled to be able to remain open for all of 2026 and give MPM fans near and far an entire year

yet to make memories in the current building," said MPM President and CEO Dr. Ellen Censky. "This next year

promises to be the most exciting and worthwhile time to become a member, as we pack in as many unique experiences as possible for visitors during this museum location's final farewell."

The new museum, the Nature & Culture Museum of Wisconsin, is expected to open sometime in the first half of 2027. It's currently under construction in Milwaukee's Deer District at the northeast corner of Sixth and McKinley streets.

Starting in January 2026, the museum will kick off a yearlong celebration called "Greatest Hits" that will commemorate MPM's exhibits with theme days, after-hours socials, guest lectures, activities for young learners, official merchandise and more.

In 2026, the museum will also host its two major fundraising events, Food & Froth and the Annual Gala, for the final time at MPM.

Updates on the new museum project can be found at mpm.edu/future.

Milwaukee nonprofits unite for 'Early Giving Day'

New holiday tradition supports local communities

As the end of the year approaches, a group of area nonprofits is launching Early Giving Day, a campaign that celebrates caring for our communities before the rush of holiday shopping.

Set for Tuesday, November 25, Early Giving Day falls one week before Giving Tuesday, which traditionally follows Black Friday, Small Business Saturday, and Cyber Monday. Before the hustle and bustle of the traditional shopping weekend, Early Giving Day invites everyone to take a moment to reflect

on the needs of our community and to care for one another.

More than 25 nonprofits aim to create a new tradition that strengthens the community by encouraging people to give earlier in the season and to give where they live.

Lindsey St. Arnold Bell, Executive Director of Near West Side Partners, shared:

"As we prepare for the hustle and bustle of the holiday season, Early Giving Day provides a meaningful oppor-

tunity to reflect and express your value and gratitude for the many gifts we have here in Milwaukee. Near West Side Partners is proud to be a

part of Early Giving Day and grateful for the businesses, individuals, and community members who generously share their time, talents, and treasure in support of our neighborhood of neighborhoods."

Nick Matuszewski, Associate Executive Director of WAVE Educational Fund added:

"Wisconsinites take care of each other. We shovel our neighbor's driveway, we deliver food when someone is sick, and we support organi-

zations that strengthen our communities. That's what Early Giving Day is about. As WAVE works to prevent gun violence across our state, we are proud to unite with other organizations doing important work to create a stronger, safer Wisconsin."

Seven-year, \$23-million federal grant will help prepare more MPS students for college

Milwaukee Public Schools (MPS) Superintendent Brenda Cassellius has announced MPS is receiving a seven-year, \$23 million grant from the U.S. Department of Education. The grant is intended to help more underserved students prepare for—and succeed at—college.

The grant, called Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP), will distribute \$3.2-million to the district each year. With a \$23-million in-kind match from local and national partnering organizations and from the district, \$46-million in total will go toward the initiative.

"This grant allows us to boost academic achievement, provide mentorship opportunities and enhance classroom instruction that will prepare students for a modern workforce. That is exciting news," Dr. Cassellius said in announcing the grant at Carson Academy of Science on Wednesday, November 12, 2025.

The effort will support more than 4,100 MPS students a year from 28 schools. The goals are to increase academic achievement, high school graduation rates, and college enrollment and retention.

The initiative will serve MPS students beginning in grades 4 through 7 and then follow them through their first year of college or other postsecondary education.

The program will focus on tutoring, advising and mentoring students, engaging with families, providing teacher development, increasing dual enrollment in college courses, and expanding career academies focused on high-demand industries, to prepare students for rapidly changing workplaces.

MPS's local partners in the grant include the Boys & Girls Clubs of Greater Milwaukee, UW-Milwaukee, Milwaukee Area Technical College (MATC), UW-Whitewater, UW-Oshkosh, UW-Parkside, My Sistah's KeepHer, Mentor Milwaukee, and Y.E.S. MPS will partner with UWM's Socially Responsible Evaluation in Education (SREed) for program evaluation.

National partners include the Center for Advanced Academics, NCCEP, Northwestern University's Center for Talent Development, Cambridge Educational Services, Texas Instruments, XCalibur, WestEd, and NAF, a leading nonprofit connecting schools with industry partners.

"The GEAR UP grant

Photo by MPS

builds on the foundation MPS already has — of academic and career planning, College and Career Centers, and required FAFSA completion. Importantly, GEAR UP provides MPS with significant resources to expand promising practices and develop new opportunities to

better develop the many talents of our students. By doing that, we can support the growth of the regional workforce," said Dr. John Hill, director of MPS's Department of College and Career Readiness.

Milwaukee Public Schools

will have a formal kickoff event to engage students, families, and partners to raise awareness about project goals and resources in January.

Results from previous grant:

MPS was awarded a \$14.9 million GEAR UP grant from 2011 to 2018. Outcomes from the previous grant included:

- Summer credit recovery resulted in 93 percent of the students earning credits, helping them stay on track to graduation. The success resulted in districtwide adoption of 9th- and 10th-grade credit recovery.
- In the first MPS GEAR UP cohort, 11 percent more students participated in Advanced Placement classes than stu-

dents in the same schools previously.

- Project staff collaborated with UWM SREed to develop a statistical prediction model to help schools identify and enroll additional students likely to succeed in Advanced Placement courses. The prediction model is now used across the district.
- Students had more access to pre-college programs hosted by Milwaukee Area Technical College, University of Wisconsin-Madison, University of Wisconsin-Milwaukee, and University of Wisconsin-Oshkosh.
- More than 12,000 students took part in college tours and visits at more than 20 colleges, in state and out of state.

Rosemary Ollison: KNOW MY HEART

August 15 - December 7, 2025

Experience an inspiring textile collection by an acclaimed Milwaukee artist.

The first solo exhibition of a self-taught creator and storyteller Ollison showcases 30+ years of her rich and intricate fiber practice. The collection, now on exhibit at the Wisconsin Museum of Quilts & Fiber Arts, features a dynamic array of compositions — wall hangings, tapestries, quilts, rugs, drawings and more — all borne from repurposed materials.

- Ollison's talents have been recognized through a Mary L. Nohl Fellowship and City of Milwaukee Artist of the Year honors ... and this new WMQFA exhibit aims to elevate her artwork on a national level.
- Her work has been featured at the Museum of Wisconsin Art, Lynden Sculpture Garden, Northwestern Mutual's Corporate Collection, the Chipstone Foundation and Milwaukee Art Museum.
- Support for this exhibition is provided by the National Endowment for the Arts, Greater Milwaukee Foundation, American Quilt Study Group, Wisconsin Arts Board with support from the National Endowment for the Arts, Judy Hearst – Coldwell Banker Realty, Nirmal Raja and Victoria Findlay Wolfe.

North Sunrise Rotary Club helps turn a birthday in to a day of giving back

On Wednesday, November 5, 2025, former Milwaukee Times Weekly Newspaper Publisher Lynda Jackson Conyers along with 30 friends and family celebrated her birthday at Cooper's Hawk Winery & Restaurant in Brookfield. But rather than gifts she asked all her guests to bring canned goods for Mac-Canon Brown Homeless Sanctuary. The response was overwhelming; more than 10 baskets of non-perishable food items were collected. Among those invited to the event were Jim Milner, President of the Milwaukee North Sunrise Rotary Club, to join her in delivering the donations to the Sanctuary on Saturday, November 8, 2025. Rotarian Angela Stinson was also on hand to help make the delivery a true community effort.

(Continued on page 7.)

MPS GEAR UP GRANT

(Continued from page 6)

- The number of students from GEAR UP schools participating in the UW-Madison PEOPLE scholars and Marquette Equal Opportunity Program (EOP) increased.
- Nearly 1,000 parents have graduated from the Milwaukee Parent Institute (MPI) provided by GEAR UP since the 2014-15 school year. MPI, which helps parents support their children's preparation for college, is now used across MPS.
- A Senior Bridge program, provided in collaboration with school counselors at all GEAR UP schools, helped prepare 12th-graders for applying for the Free Application for Federal Student Aid (FAFSA) and colleges.
- Graduation rates increased in six of the eight GEAR UP high schools.
- The first graduating cohort of GEAR UP received nearly \$11 million in scholarship offers to 206 students; the second received more than \$15 million in scholarship offers to 210 students.
